

TLC Aged Care – Media Release A+Plus Host Employer of the Year

13/12/2011

Prestigious Award goes to TLC Aged Care

For over 20 years TLC Aged Care has been providing Tender Loving Aged Care to its residents while developing the careers of its 1200 staff.

With 9 homes throughout Victoria and a central support centre; providing the opportunity for training and career development aligns with TLC's vision and values: **'To be a leader', 'to be accountable', 'to be respectful' and 'to be the best'**.

At the recent 24th Annual Graduation and Awards ceremony held by A+ Apprentice and Trainee Services at Flemington Race Course, TLC was delighted to be presented with the award for **'Host Employer of the Year Award – Large Host Employer'**.

TLC was recognised for outstanding commitment and leadership in providing further education and training to create opportunities for employment and careers within the Aged Care industry.

Being able to celebrate the achievements, hard work and dedication of our staff in a public forum is a fantastic achievement and knowing that we are partnered with an organisation that actively contributes to the improvement of the Aged Care industry by providing highly qualified and professional staff makes us extremely proud.
